

Average residential ESS price per 10kW in Guernsey

How much does Guernsey Electricity cost?

Guernsey Electricity's standard tariff charges a single rate for your electricity usage. A medium-sized household using 3,100 kWh of electricity annually would spend an estimated £657.16 per year on this tariff. Households on the Domestic Super Economy 12 tariff are charged two different rates for electricity consumption.

Does Guernsey Electricity offer a business tariff?

These customers can get paid for the electricity they put back into the grid. Apart from domestic tariffs, Guernsey Electricity also offers tariffs for business electricity. The above tariffs for households can also be applied to businesses at the same price.

How do I pay my Guernsey Electricity Bill?

All electricity bills are paid on a quarterly basis by default; however, customers can arrange to be billed on a monthly basis. You will need to contact Guernsey Electricity to request this type of payment. Not sure what tariff you are on with Guernsey Electricity?

Is Guernsey a good place to buy electricity?

However, heavy electricity users are better off in Guernsey, with a high-usage household to spend on average £1,503 a year from July. The analysis showed British households could expect to spend between £42 and £244 more a year - up to 16% more.

When is a low rate applied to Guernsey Electricity?

The low rate is applied for 10 hours at night, when usage is generally low, and for two hours during the day. A higher unit rate is applied for the remaining 12 hours during the day. For information concerning what times the discounted rates are available, call Guernsey Electricity at 200700, and select option four.

How do I complain about Guernsey Electricity?

There are a variety of ways you can contact Guernsey Electricity to make a complaint. You can call the electricity provider by phone on 200700. Hold on the line until you are put through to an operator. Explain what your complaint is about and you will be transferred through to the right department.
