

How can a company become a supplier to ESS?

This page serves as an overview of the entry points to ESS, providing guidance on how companies can become suppliers to ESS. Companies interested in ESS business opportunities can register a business profile in the ESS Supplier Portal to enable matching of potential suppliers with ongoing procurements.

What is energy storage system (ESS)?

ESS is used as an application system in energy networks which is required for balancing the supply and demand through energy storage. The kind of ESS includes batteries such as flow and lithium-ion batteries, thermal storage, compressed air, and mechanical storage like flywheels.

How did the external OEM enterprise storage systems market perform in 2024?

The external OEM enterprise storage systems (ESS) market reported annual growth of 3.6% in the fourth quarter of 2024, completing the year at 2.5% annual growth and \$33.5 billion in spending. Despite a recovery cycle after declines in 2023 the spending for the year was just \$100 million shy from the level of spending in 2022.

Where can I find current business opportunities at ESS?

Current and forthcoming business opportunities at ESS are posted in the Procurement Listings. Completed tenders are published quarterly in the Contract Award Notices. All procurement follows the European Spallation Source ERIC Procurement Rules, which align with the EU treaty principles of transparency, non-discrimination and competition.

What is ESS & how does it work?

Principal among these systems is the integration of variable renewable power such as wind and solar. ESS also reduces energy costs, increases energy reliability, and helps disinfect green energy by storing any surplus occasional energy to be used when there is high demand.

What is the Supplier Portal?

The Supplier Portal is an electronic tendering system used to publish tenders and relevant documentation and to receive submitted bids for ongoing procurements. Current and forthcoming business opportunities at ESS are posted in the Procurement Listings. Completed tenders are published quarterly in the Contract Award Notices.

ESS welcomes new suppliers who can offer products and services at competitive prices. This page serves as an overview of the entry points to ESS, providing guidance on how companies can become suppliers to ESS.
