

Government procurement price of gel battery storage in Belgium

How can I get Free tenders from Belgium?

Get FREE SAMPLE TENDERS from Belgium in your email inbox. Copyright © 2014-2025 belgiumtenders.com. All Rights Reserved. Latest Belgium government tenders, RFP and eProcurement notices from the biggest online database of Belgium Tenders. Users can register to get info on eTenders, EOI, GPN and other public tenders from various industry sectors.

Why is Belgium a good place to invest in a battery?

Other factors that make Belgium an appealing location for battery investments are the exemption of TSO grid fees and high revenues from balancing market(mainly FCR and aFRR)," Simon De Clercq,senior research associate at Aurora Energy Research,told ESS News.

Should battery storage players participate in CRM auctions?

"There appears to be room for battery storage players to participate even more in the CRM auctions. Nearly 1.5 GW of capacity remains to be procured for the 2028-2029 delivery period through the Y-1 and Y-2 auctions,presenting significant opportunities for battery projects," De Clercq says.

What are the auction rules for batteries?

Elia publishes the auction rules -- including the derating factors, the price cap, and the volumes -- in Q1 of the auction year. These will determine exactly how interesting the auctions are for batteries. With the CRM auctions being technology neutral, no specific storage duration is prescribed.
