

Portable ESS system project financing options in Ghana 2025

What are the challenges facing project finance in Ghana?

The biggest challenge facing project finance in Ghana at present is the wider economic downturn, which is constraining the availability of financing. The use of alternative credit enhancement facilities, such as partial risk guarantees, continues to be a common feature of most project finance transactions.

How does the Ghana infrastructure investment fund support infrastructure projects?

The Ghana Infrastructure Investment Fund supports infrastructure projects by expanding its capacity to provide medium- to long-term financing through recent funding from development finance institutions (DFIs) including the African Development Bank and Agence Française de Développement.

Does Balkan Energy Ghana Limited require parliamentary approval?

According to Balkan Energy Ghana Limited 2 SCGLR 998 and other cases on the interpretation of Article 181 (5) of the 1992 Constitution, a foreign company or a Ghanaian company with foreign shareholders may be required to obtain Parliamentary approval for a contract with the government of Ghana on behalf of itself or any other state entity.

Why did the Ghanaian government announce an IMF-supported financing programme?

In response to various challenges, the Ghanaian Government announced its engagement with the International Monetary Fund (IMF) to secure an IMF-supported financing programme in 2022. The Government commenced formal negotiations in September 2022 and, in December 2022, announced that it had reached a staff level agreement with the IMF.

Does Ghana have a tax exemption for Strategic Investments?

Ghana's Exemptions Act provides for the government to grant tax exemptions for strategic investments where the state takes an equivalent equity stake in an investment project (Section 15 of the Exemptions Act, 2022 (Act 1083)).

Can a project company establish an offshore FCA in Ghana?

Project companies in Ghana may establish and maintain onshore Financial and Corporate Affairs Commissions (FCAs) [according to the rules described in question 7.6 above]. However, Ghanaian companies cannot establish and operate offshore accounts in Ghana; they can only do so in other jurisdictions with approval from the Bank of Ghana.
