

Residential ESS project financing options in Panama 2026

How do I finance a property in Panama?

It is always a good idea to have a paper trail of all payments made on a property. There are two primary options for financing property in Panama. Local bank mortgage. I review those, and some less commonly used financing options, below. Some sellers (like us) offer to finance your purchase of their property.

Is seller financing a good option for a home in Panama?

Seller financing is a good option for buyers who want to buy a home in Panama but need to sell their current home to pay for it. In that case, a buyer may want to negotiate terms that include a small downpayment, payments until the house sells (say 3 years), and then a balloon payment at the end of the 3-year term.

Can a foreigner buy a home in Panama?

Some sellers (like us) offer to finance your purchase of their property. This way you can avoid dealing with a bank or mortgage company. It can be time-consuming for a foreigner to get a bank mortgage in Panama. Seller financing is a good option for buyers who want to buy a home in Panama but need to sell their current home to pay for it.

How does a loan work in Panama?

In North America, qualifying for a loan is all about your credit history. However, in Panama the banks focus more on your ability to pay and the property's loan to value ratio. Because of this dual-focus, Panamanian banks require massive amounts of documentation. Documents that: Panama banks will only give loans on land that is:

How to get a home loan in Panama?

Panama banks don't want your property, they just want your money: dead or alive. You must buy such a policy regardless of your age. Fire insurance is required and must cover 80-100% of the amount of the loan. You must physically appear in the bank's office to complete the loan application.

Can a foreigner get a mortgage in Panama?

Panama banks will only give loans on land that is: The following are typical mortgage terms and requirements for foreigners. The loan term must end by the time you are 75 years old. So, if you are 65, you can only get a 10-year loan, but if you are 55, you can get a 20-year loan. Up to 75% of the purchase price is the max financing you can obtain.
