

# Turnkey PV energy storage EPC contract price in Indonesia

Who are EPC contractors?

We are experienced Engineering, Procurement and Construction (EPC) contractors, having built some of the largest ground-mount and industrial rooftop solar PV systems in Indonesia. We offer the following EPC services: - Complete turnkey solar PV power plant services from design to commissioning - Owner's engineering

How does EPC tax work?

A PE which carries out EPC activities is subject to this final tax provision. The tax is collected largely through the withholding tax mechanism, whereby the project owner withholds income tax of 2.65 - 6 percent from every payment to the EPC contractor. The income tax base commonly is the gross income (contract value).
